Fair Lawn, NJ 07410

KINDERGARTEN REGISTRATION

Student Registration is a two tiered process that begins at the Fair Lawn Community School, located at Fair Lawn High School at the corner of Burbank and Norma.

The parent or legal guardian of the student to be registered must present the student's birth certificate and four proofs of residence to the Fair Lawn Community School personnel. The appropriate forms must be completed before the registration can proceed to the receiving school. Please call the Community School at 201-794-5450 x 2369 for more details and assistance.

After confirmation of the student's eligibility, the parent will present the confirmation document to the student's receiving school.

Please note: except where indicated, you are asked to call for an appointment.
